PRESERVE MASS BARNs!
2007 ANNUAL CONFERENCE - SAVE THE DATE!

Boston, MA – August 11, 2007 - The *Preservation Massachusetts Barn Task Force* is pleased to announce their – *Preserve Mass Barns!* – 2007 Annual Conference on **Saturday, November 3, 2007**, from 9AM to 4:30PM. The ***Heritage Museums & Gardens*** in Sandwich, MA, will host the event in their replica of a round stone Shaker barn.

“We’ve had numerous requests for a conference in the Southeast Region”, says Charles McColough, Chairman. “We are delighted the ***Cape Cod Commission*** and the ***Cape Cod Cranberry Growers’ Association*** will be joining the *Preservation Massachusetts Barn Task Force* as co-sponsors.”

“The program has been designed to reinforce the basic topics of preserving barns, carriage houses, cranberry screenhouses, and outbuildings”, noted McColough. “It’s an exciting and unique opportunity to have organizations well-known for their efforts in preservation come together as allies at this prominent site.”

Don’t miss out on what promises to be their most exciting annual conference yet. For registration details go to *Events* at www.preservemassbarns.org or call Preservation Massachusetts at 617-723-3383.
